

PRINCE WILLIAM COUNTY

Household Hazardous Waste & Electronics Recycling Program

Certain hazardous materials (described below) may pose a risk to human health or the environment if placed in the regular trash. Prince William County provides a special location where these items may be dropped off for recycling and/or special handling. In addition to certain hazardous materials, County residents may also drop-off electronic equipment (computers, televisions, cell phones, etc.) at the location below for recycling. This service is available to County residents only. Businesses and residents of the cities of Manassas and Manassas Park cannot use this program.

DROP-OFF LOCATIONS	HOURS OF OPERATION
Prince William County Landfill 14811 Dumfries Road Manassas, VA 20112 Phone: 703-792-5750	Wednesdays & Saturdays 10am – 5pm
