TRAINING ANNOUNCEMENT

Course name: 2nd Quarter 2023 ALS/BLS CME
Course type: Asynchronous
Date: June 1, 2024 - July 15, 2024
Sponsor: Prince William County Department of Fire and Rescue

Course Description: The Training Division will not be holding in-person Continuing Medical Education (CME) for the second quarter of 2024. Like in previous years, we have identified a series of courses on *Vector Solutions* that will provide the necessary hours for ALL providers to remain on cycle for recertification.

Trauma (2 Hours)

Gunshot Wounds
Heat Illness and Emergencies

Category

BLS 13 ALS 18

Medical (4 Hours)

Bariatric Patients
Common Infectious Pathways
Dementia: Overview, Assessment, Care
Geriatric Behavior Emergencies

Category

BLS 14 ALS 19

Operations (2 Hours)

Child Abuse: An EMS Professional Role & Responsibilities
Cultural Diversity for EMS Providers

Category

BLS 15 ALS 20

To obtain credit, providers must complete ALL portions of the selected course. Upon completion, training hours are automatically uploaded to the provider's state CE report within 48 hours. Vector Solutions can be found on the VAOEMS website or by using the link below.
