The best way to keep your independence and get HELP if needed. Just press the panic button and help is contacted. Instantly calls up to 3 phone numbers and plays your personalized emergency message. When a call is received the receiver simply presses any button on their phone and opens the full 2-way communication through the built in speakerphone from several rooms away. Two panic buttons included, a necklace panic button and a wrist panic button. Pacemaker safe and has a range of 100 feet. Both panic buttons are water resistant so it will operate properly when you shower and or bathe. No monitoring or monthly fees!
