

Prince William 4-H Clubs provide a place where youth can belong and grow!

4-H Clubs are open to youth ages 5-19. They can be established in-school, after school, or as independent clubs, and can be teacher or volunteer led.

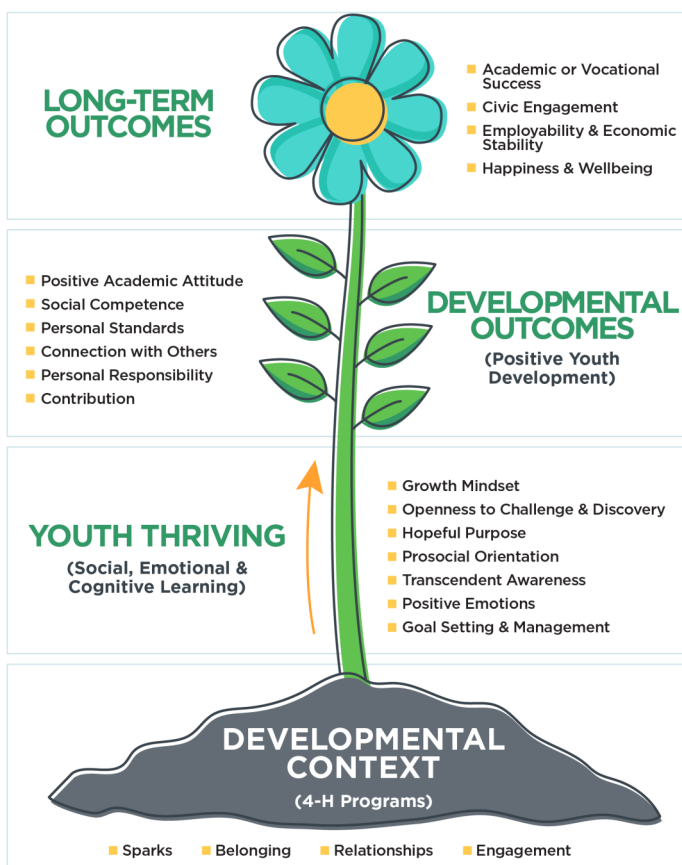

4-H Clubs focus on the 4-H Pillars of Citizenship, Healthy Living, Agriculture and STEM. Research-based curriculum and activities are readily available through Prince William 4-H on topics including animal science, careers & economic education, citizenship, communications & expressive arts, family sciences, nutrition & health, leadership, natural resources & environmental education, plants & soil, entomology, STEM, and more.

4-H youth participate in annual competitions at the state and local level, build portfolios, complete projects, engage in community service, conduct elections, attend camps and teen weekends, and have fun exploring their interests and growing into who they are meant to be. 4-H is for everyone!
