# Public Information Presentation

## Interchange at Route 234 and Brentsville Road Project

March 22, 2022

Mary Ankers

Project Manager

Prince William County Department of Transportation

[mankers@pwcgov.org](mailto:mankers@pwcgov.org)

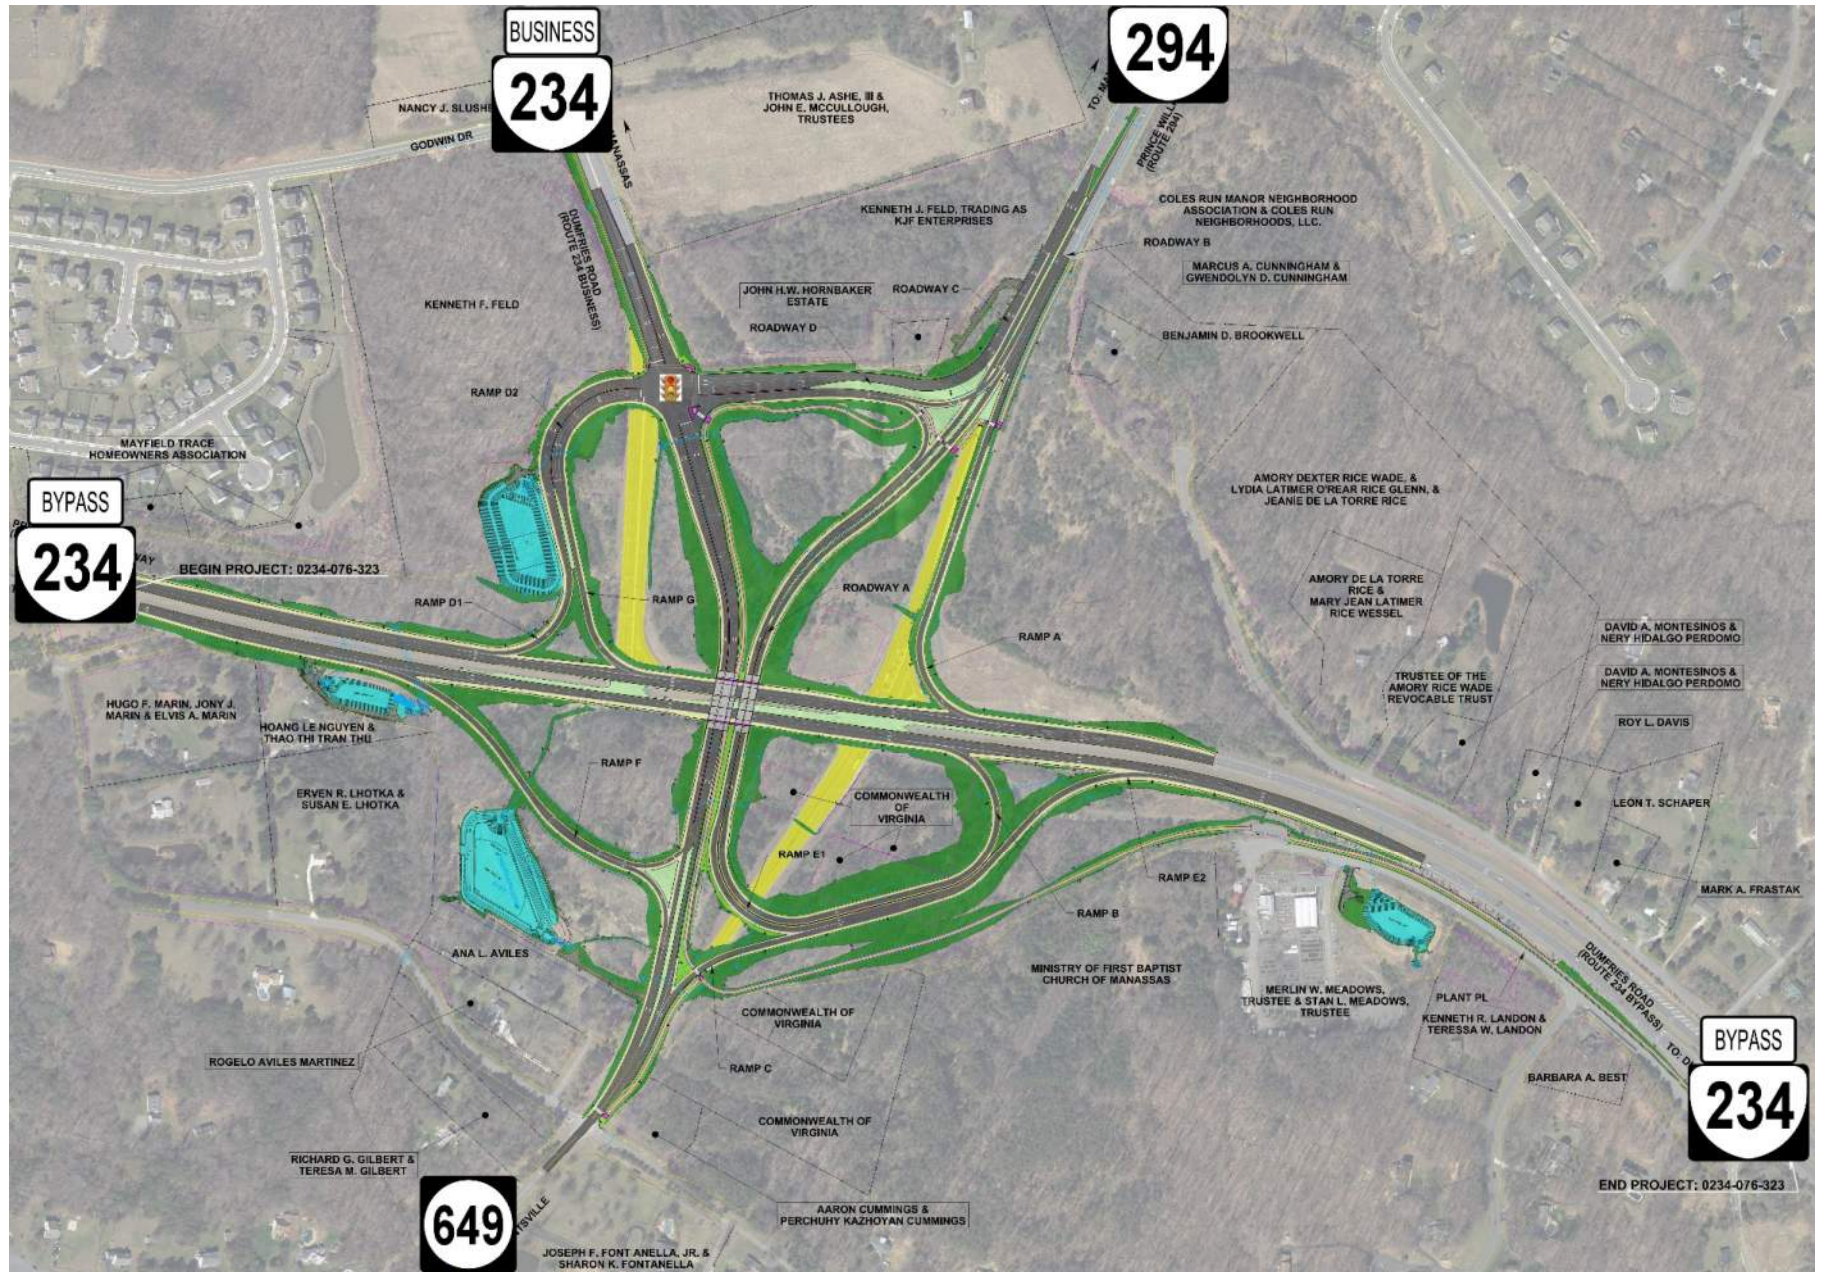

# Meeting Agenda

## Provide additional information following the December 8, 2021 Public Hearing

1. Provide a rendering/visualization of the interchange bridges over Route 234 Bypass
2. Explain the various travel paths through the new interchange
3. Respond to comments regarding concern over potential speeding along Brentsville Road south of the interchange
4. Respond to comments related to future shared use path connectivity along Route 234 Bypass
5. Discuss a potential pedestrian bridge over Route 234 Bypass connecting to the shared use path along Route 294

# Design Overview

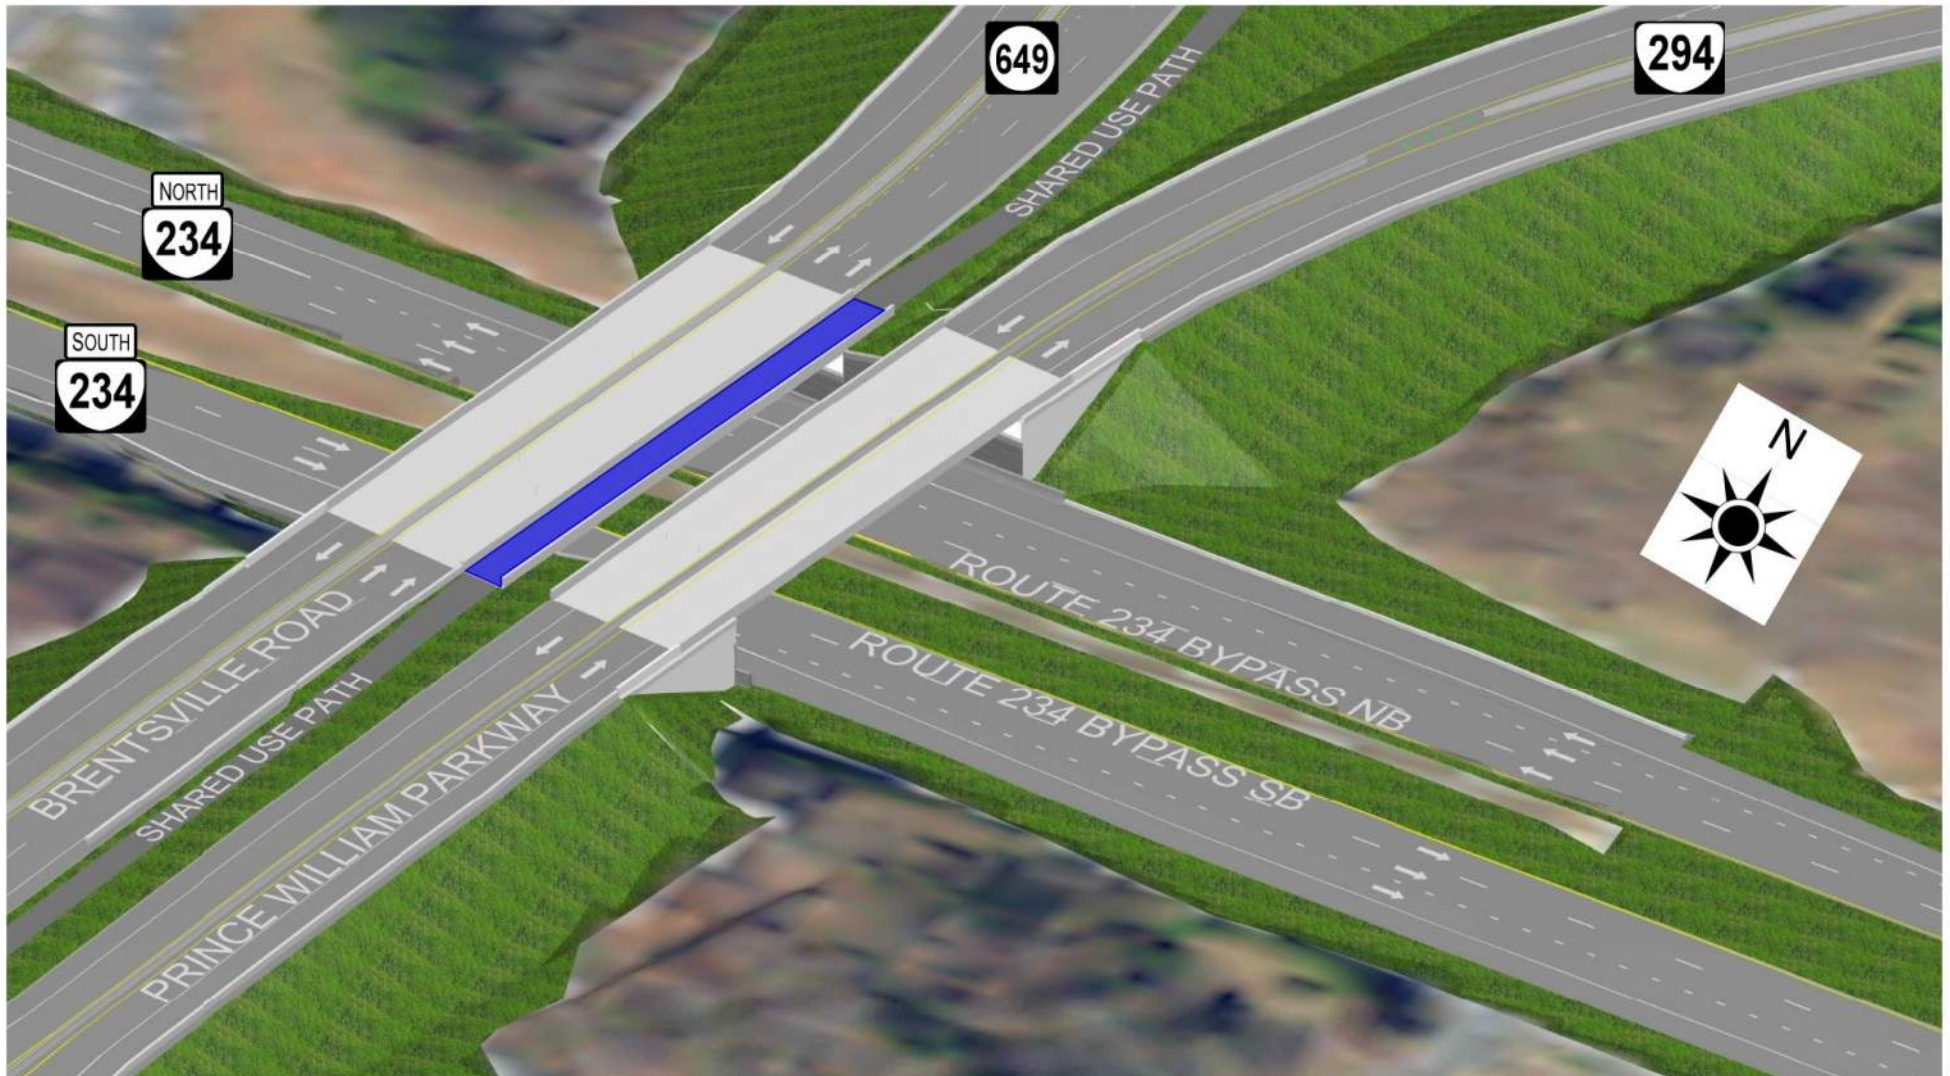

# Bridge Rendering

## Route 234-Brentsville Road Interchange Project Overpass Rendering

# Destination Maps

## Route 234-Brentsville Road Interchange Project (1 of 5)

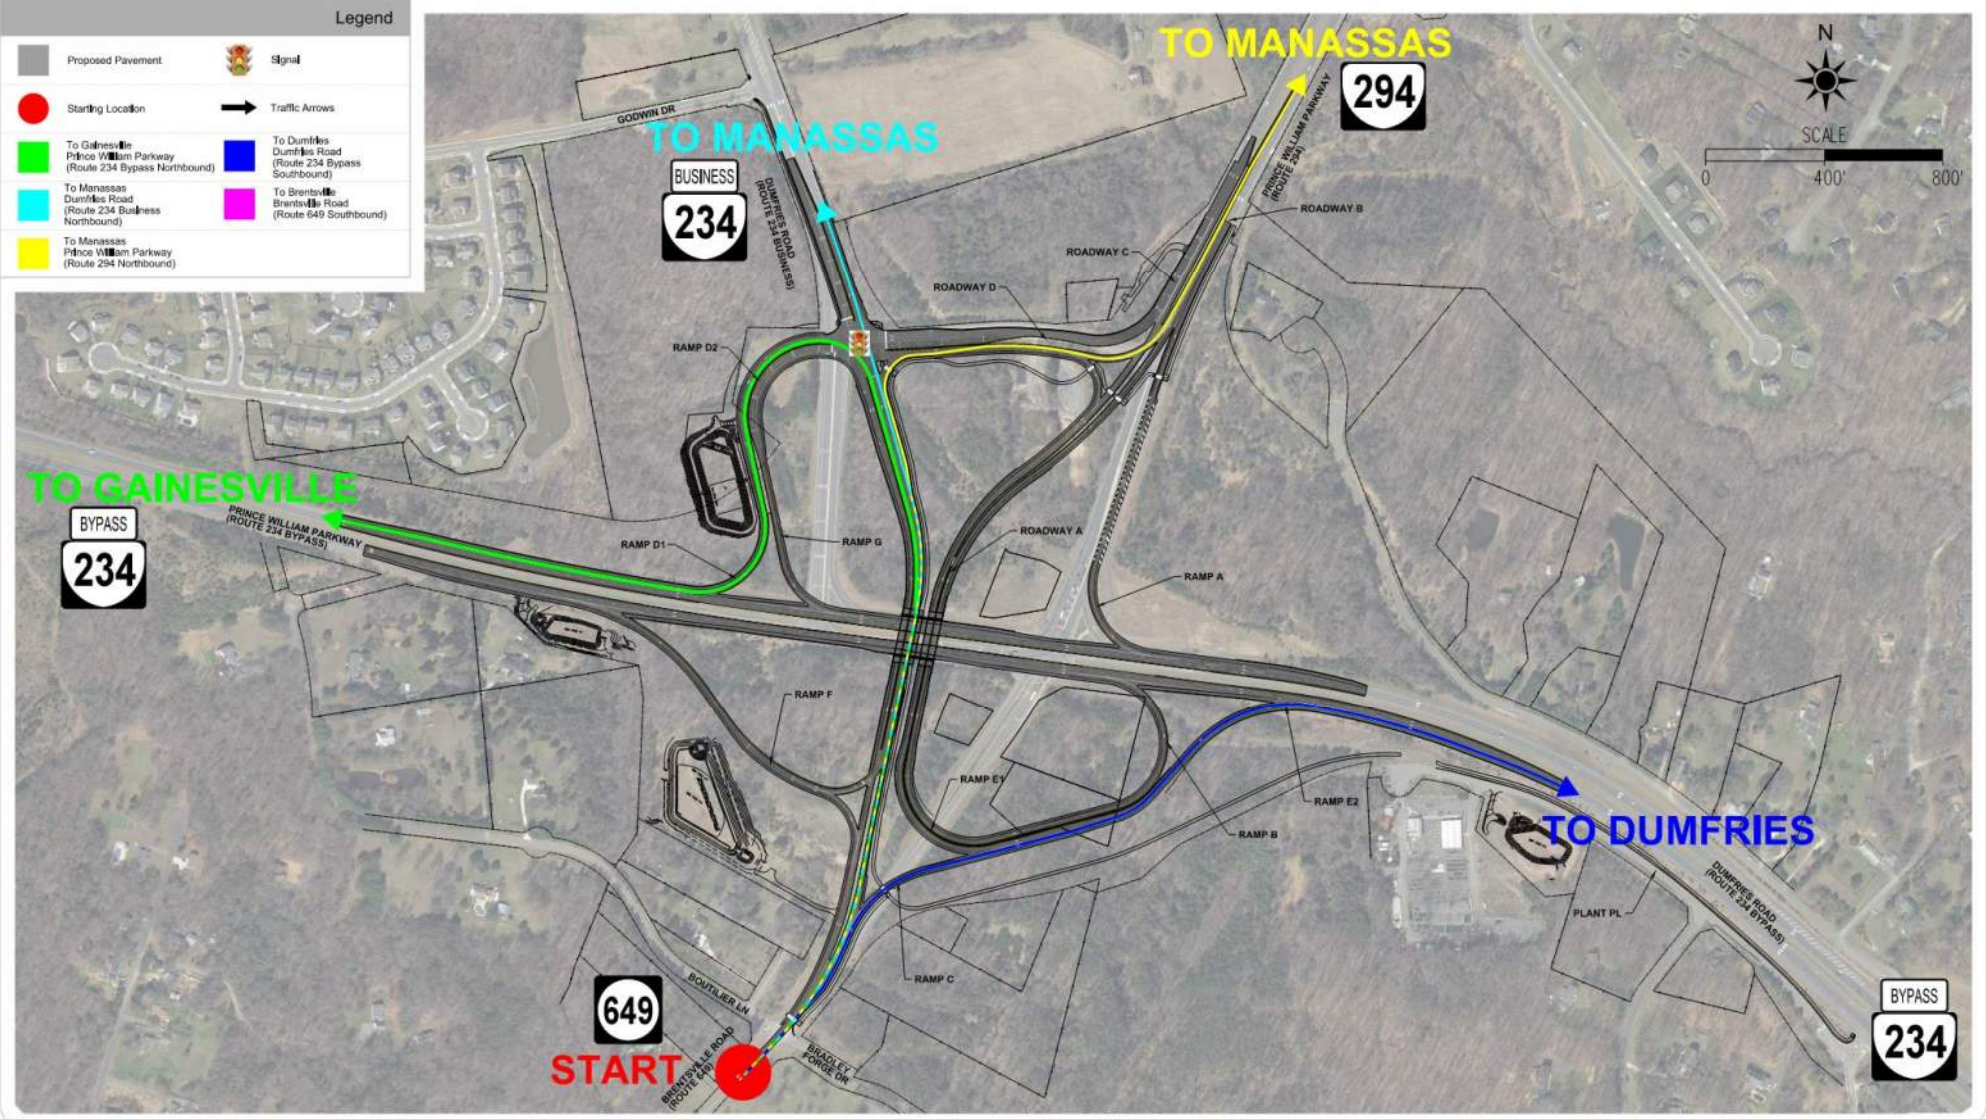

From Brentsville - Heading Northbound on Brentsville Road  
(Route 649 Northbound)

Design Build Team

**Legend**

- Proposed Pavement
- Starting Location
- To Gainesville Prince William Parkway (Route 234 Bypass Northbound)
- To Manassas Dumfries Road (Route 234 Business Northbound)
- To Manassas Prince William Parkway (Route 294 Northbound)
- Signal
- Traffic Arrows
- To Dumfries Dumfries Road (Route 234 Bypass Southbound)
- To Brentsville Brentsville Road (Route 649 Southbound)

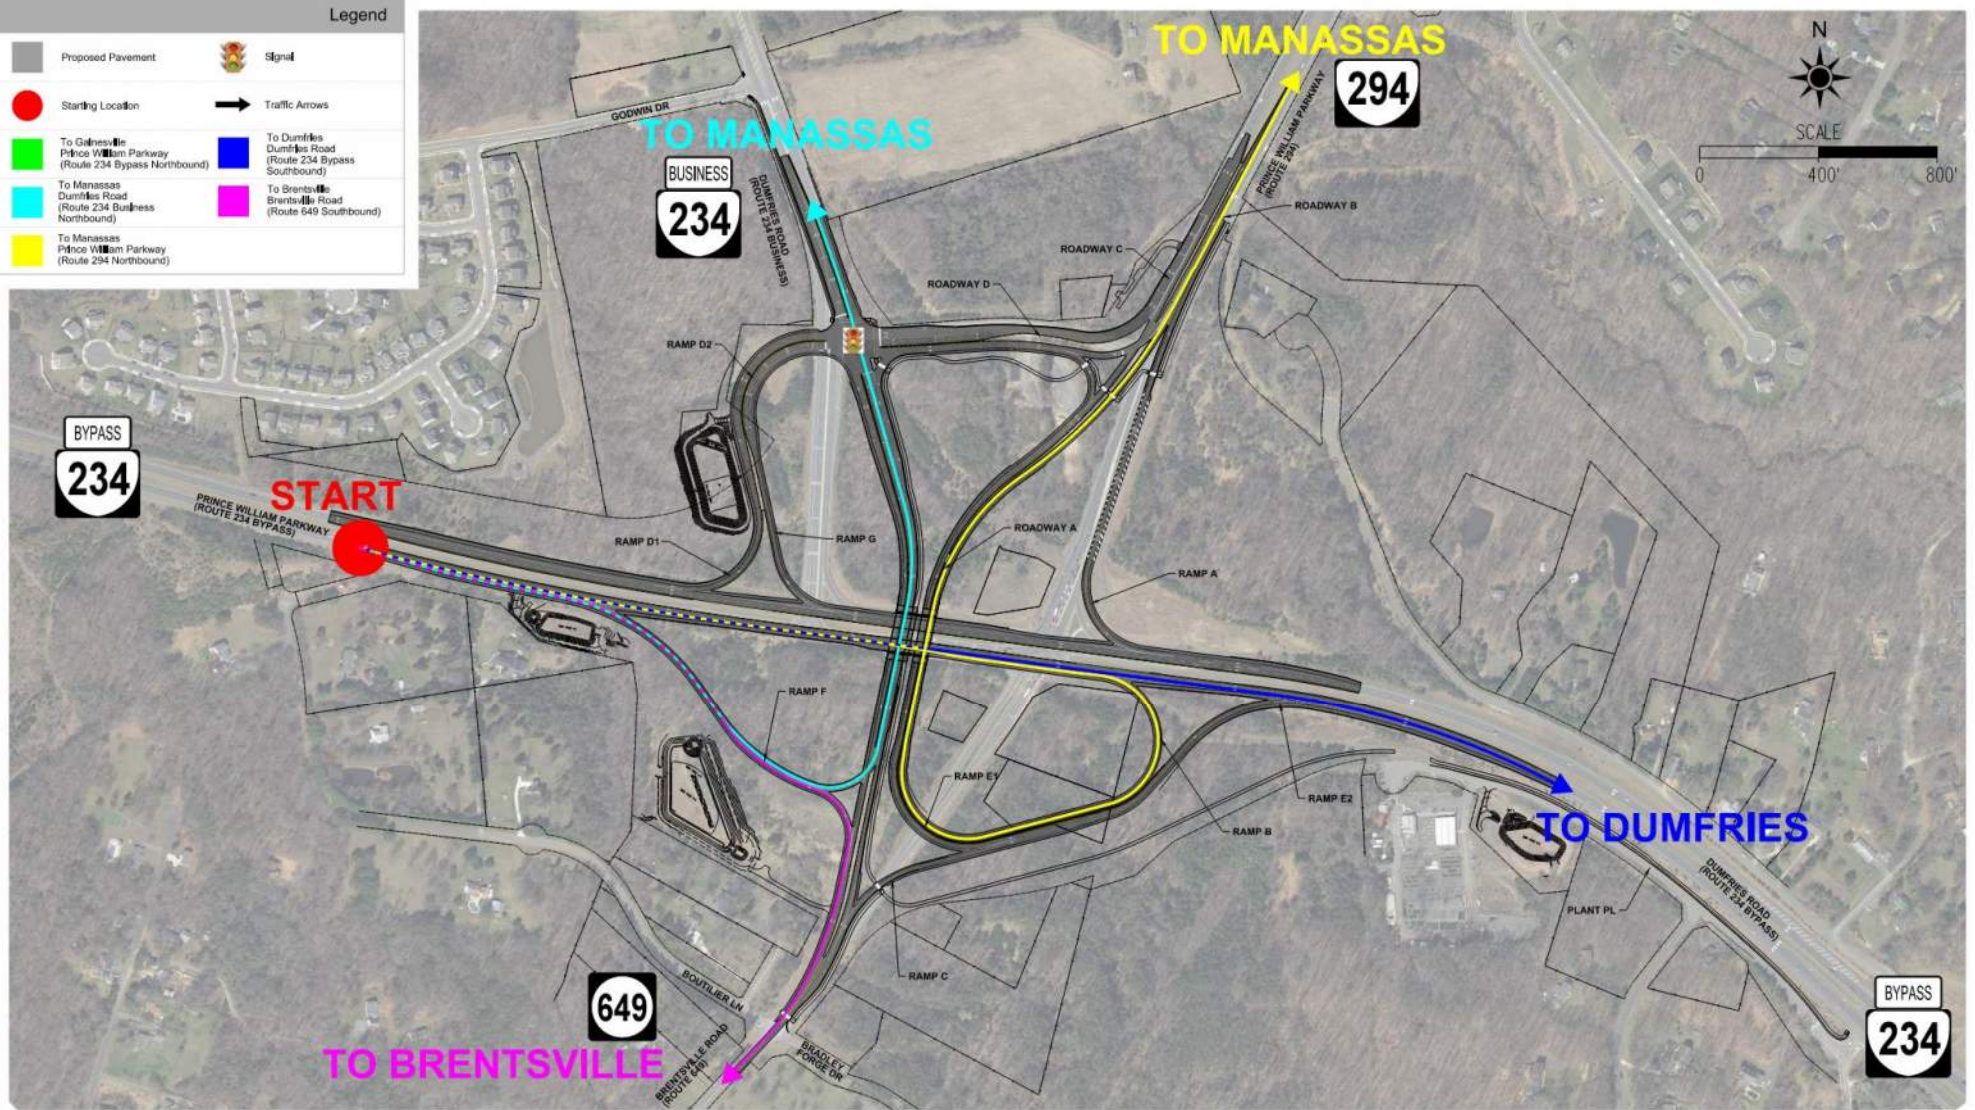

# Destination Maps

## Route 234-Brentsville Road Interchange Project (2 of 5)

From Gainesville- Heading Southbound on Prince William Parkway  
(Route 234 Bypass Southbound)

Design Build Team

# Destination Maps

## Route 234-Brentsville Road Interchange Project (3 of 5)

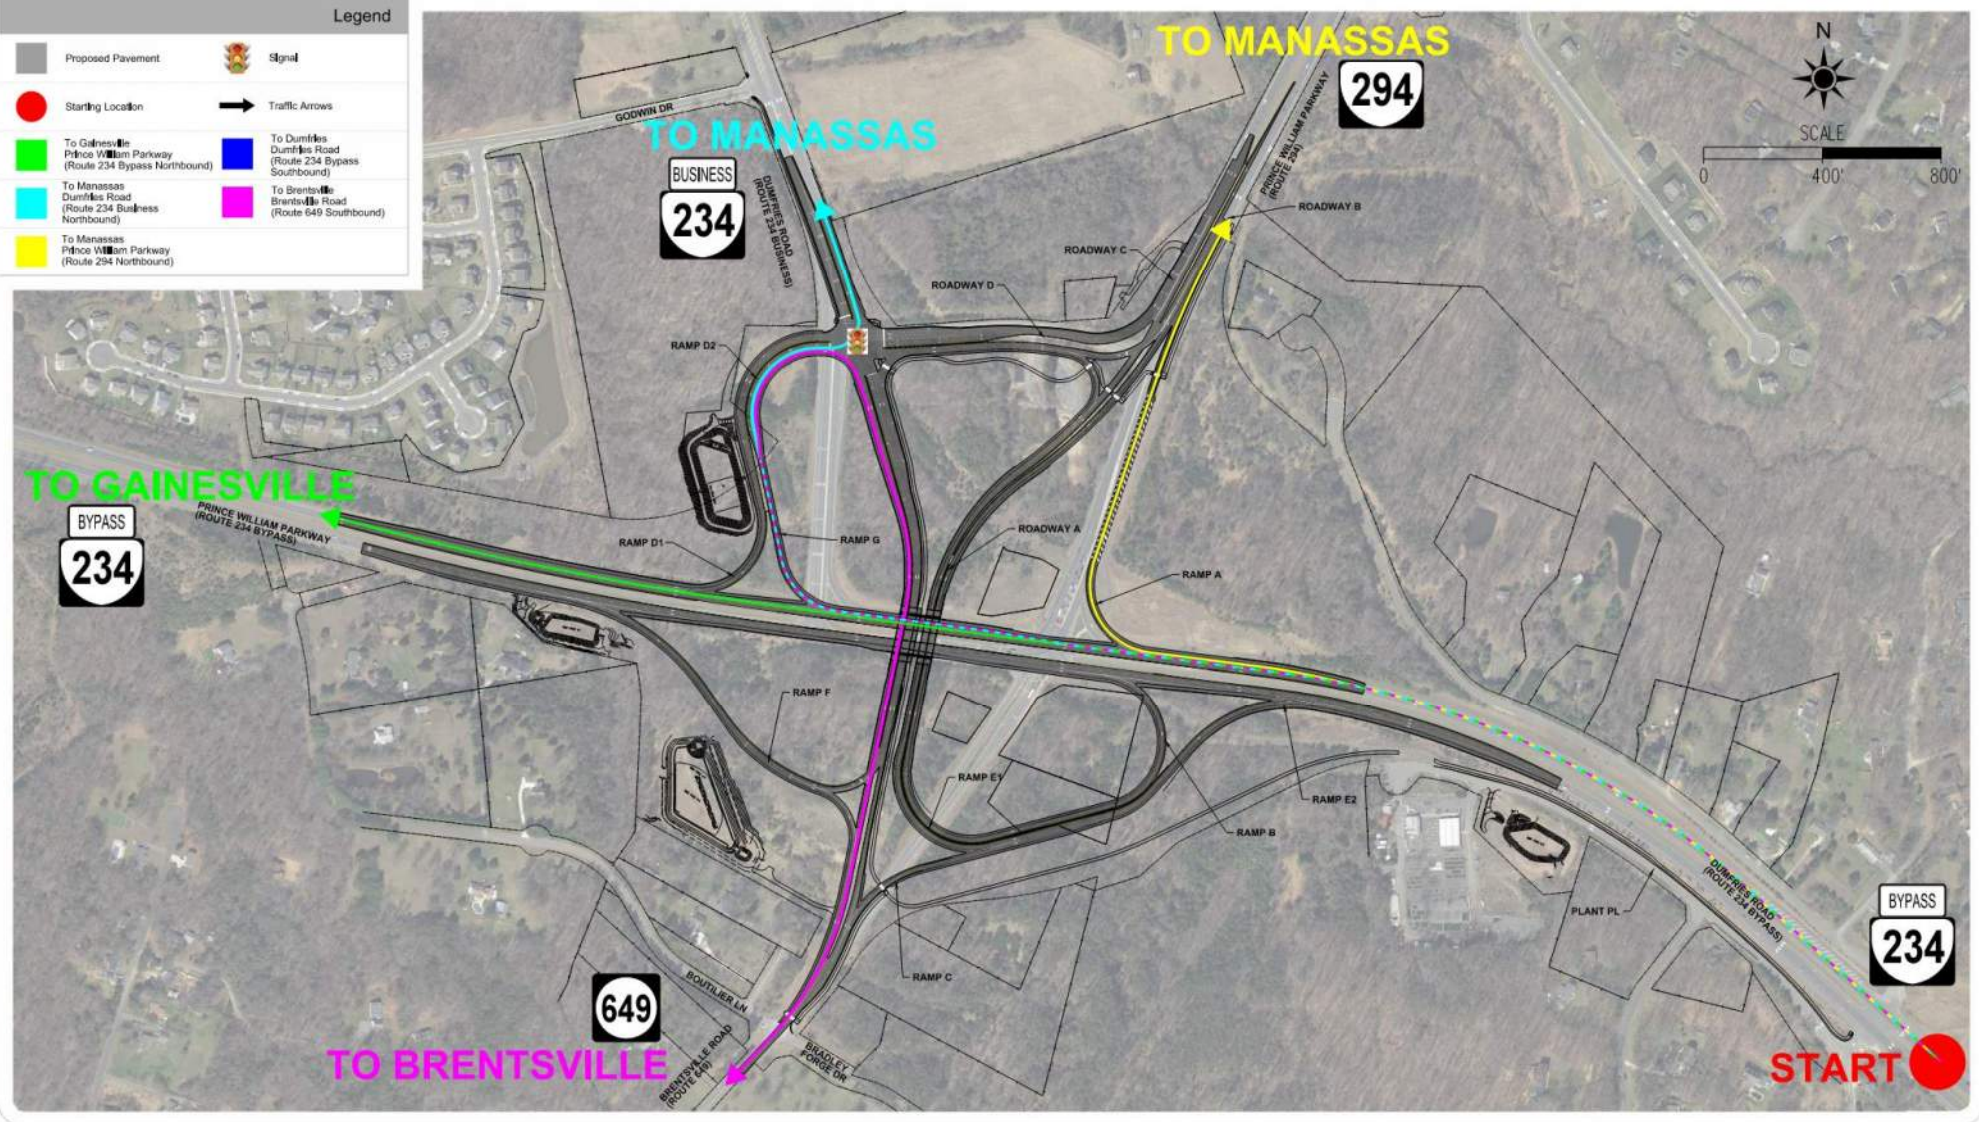

From Dumfries - Heading Northbound on Dumfries Road  
(Route 234 Bypass Northbound)

Design Build Team
